GRADE -IV

✦ "Learning never stops, even on holidays!" ✦

SESSION: 2026-2027

DEAR PARENTS

Vacation is the time for children to explore their myriad interests and indulge in various activities which would lead to their all-round development.

Summer Vacation is the most awaited time for both parents and kids. We have tried to keep the homework simple, informative, interesting, and fun-filled.

Here are a few tips for parents to act as facilitators to help your child balance her eagerness in pursuing adventure, creativity, and self-expression with the development of responsibility:

- ***Make sure that you are spending quality time with your wards.***
- ***Teach them the importance of moral values in their lives.***
- ***Motivate them to read good books.***
- ***Encourage and help your child in shouldering responsibilities in household chores. It will aid them to be independent.***
- ***Keeping in view the prevailing situation, indulge yourself in various indoor games with them.***
- ***Encourage the child to wish 'Good Morning' and 'Good Night' to everybody.***
- ***Encourage the child to speak simple sentences in English.***
- ***Talk respectfully with the child and encourage your child to do the same.***
- ***Motivate the child to use polite words such as 'Please', 'Thank You', 'Sorry', 'May I...?':***
- ***Revise the work done in the classes.***

Please note: *Prepare a systematic timetable and follow it religiously from the very first day. Allow them to complete homework on their own under your guidance. Make these holidays memorable for the young learners by providing a nurtured and stimulated environment at home which is full of fun, excitement, and learning. Wish you all a safe and healthy holiday ahead!*
