### **Important:**

- ✓ Hairstyle shall be treated as part of school uniform. Girls have to braid their hair in one or two plaits. They may tie their hair in a ponytail (for short shoulder length hair). Flicks, puffs, perming, dyeing, colouring of hair are not allowed. Hair bangs should be properly pinned away from the forehead & eyes. Tic-tac pins, if being used, should be black.

- ✓ Minimal jewellery (just a pair of small studs to be worn in the ear lobes) is permissible on working days. No gold or silver chains are to be worn by the students. No finger rings or bangles are permitted. A single thin *kada* is allowed for Sikh girls only. School shall not take the responsibility of loss of any precious metal worn by students.
- ✓ Clipping of nails on a timely basis is important for good health and hygiene. Also, long nails, colouring of nails and applying of *henna* are not allowed.
- ✓ All students should carry a clean table napkin and a table mat to school daily. These are also an integral part of school uniform and must be used by students while having food in school. Wearing the school I-card is compulsory.
- ✓ Parents are expected to ensure that their wards are in neat, properly ironed uniform with clean shoes before leaving their homes. Dress defaulters are noted and may lose grades in co-scholastic assessment. If a student makes any alteration in the pattern or the stitching of the uniforms as is prescribed by the school, disciplinary action may be initiated by the school authorities, after making a record of a warning in the Student's Almanac. Students who are slovenly dressed or are not in proper uniform will not be allowed to enter their classrooms and parents may be requested to take their wards home.
